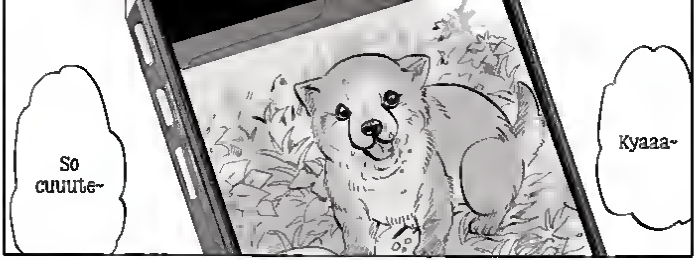
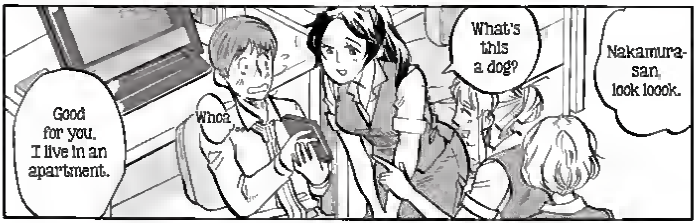
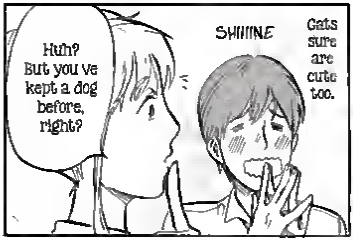
Robot



So cuuute~
Kyaaa~



Good for you. I live in an apartment.
Whoa
What's this a dog?
Nakamura-san look loook.



Huh? But you've kept a dog before, right?
SHIIINE
Cats sure are cute too.

We call him Taro.
So he's a stray
Ah, I'm not keeping him.
He just started coming over when my niece gave him food...

N
Nakamura-san do you like dogs?
I do.
And cats too.
Cats (Type)
Shishiteo (Lion)
Triger (Tiger)
Cheida (Cheetah)

Wh

F-
For now, I live in a detached house, but in terms of space, it's a little...
My grandpa's there, too...
Onoda kun, you can keep dogs at your place?

I- I'm sorry, Onoda-kun...
What happened to Nakamura-san...
Scary...
Then.
No. You can't do this stuff half heartedly.

But... it's hard for me...
I'm relentlessly holding myself back...
Sorry Onoda kun...
I just snapped at you...
She definitely... must've had a tough goodbye with her pet...
From welcoming the Juushouwan DX Robot 'Tategamimaru' into my home...!
DX

Giant Robots
The field of Tokusatsu is filled with charm because it produces 'impossible things'.
And this is one of the glories that must come into reality at some point.
It has such a welcoming colouring scheme and weathering.
First off, if there's any pro to Tategmaimaru, it should be his inhuman face!
General Robot Face
Though the inhumanness can be good too
Refreshing eyes
High nose
Slightly drooped mouth
Ugh So cool.
She's crying...!?
I can feel his attack posture...

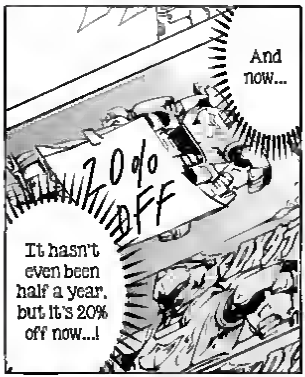
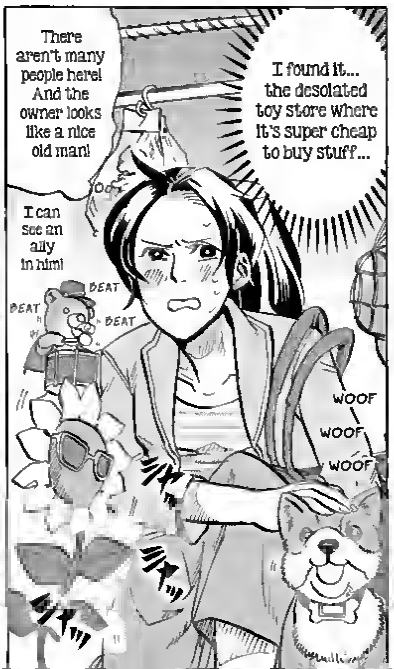
But robot toys are top class demons whose size increases with their price.
Nakamura promised herself that she would never get her hands on a robot and only a robot.

Then why
are we even having this conversation?



And now...
20% OFF
It hasn't even been half a year, but it's 20% off now...!



I found it... the desolated toy store where it's super cheap to buy stuff...
There aren't many people here! And the owner looks like a nice old man!
I can see an ally in him!
BEAT

WOOF

But...
Don't buy... don't buy...

But if a kids show toy is no longer on sale it can be a very big thing..
Maybe Juushouwan isn't popular?
I could give a detailed explanation
*Tokuota have a strange fascination with sales, even if it has nothing to do with what they want.
No but there were a lot of people in the
But maybe
It might not be on sale..
So the gods are saying that I should contribute to the sales..
If that's the case, it's 20% off.
You were looking at that before too. You like it?
Oh.
20%

I recieved a lot of new goods.
Yeah yeah, they are..
I think they're especially cool this year.
No uh, I thought that toys these days are cool is all...
So close!
20%

Well now I see.
That sounds hard
So these days, if the box is even a little bit damaged, nobody will buy them.
They don't normally sell it at this price.
My acquaintance, the sweet shop guy, told me about it.
The box here got worn down by the rain before.
Here
Here
We-
Then there's gonna be some in other places soon...
Thank you.
It's really cheap...
But
Despite that, they don't sell well at all...

This year it might be plain for kids.
Last year there was more movement though around this time.
I... it's the same old story about declining birth rates...
Look. There's still a lot of them here.
Maaan.

The box is worn down here too.
I'll put the price down a little more, so will you buy it?
Uuugh
Uh
This old man thought they were cool.
But he's not in it seems...
So?

Uoooh
Uoooh
20%OFF!!

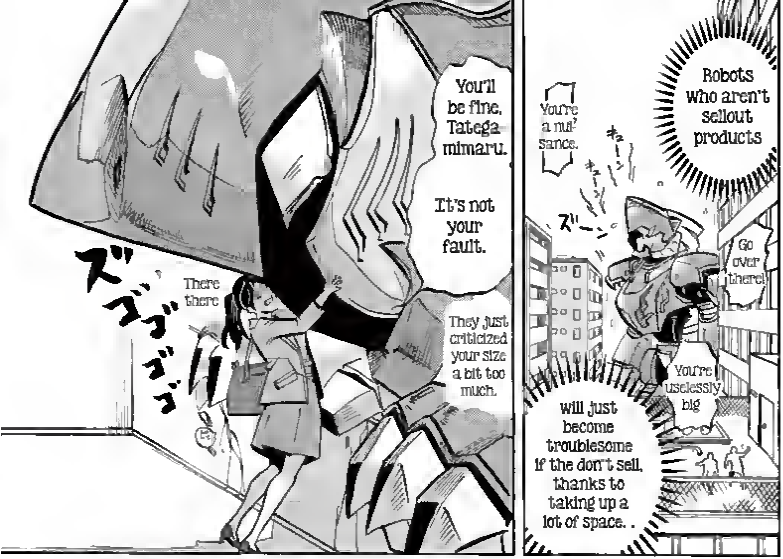
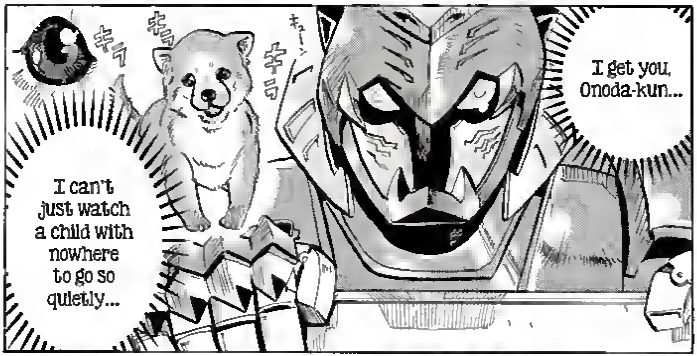
Shut up!
You're bothering us! Go away!
This Tatega-mimaru is lame.
I don't need that thing.
Stop it!
Stop!

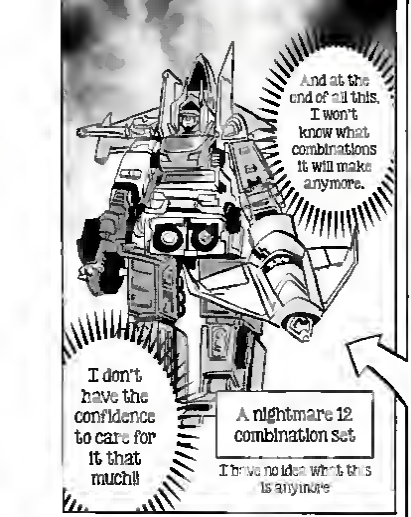


You'll be fine, Tategamimaru.
It's not your fault.
There there
They just criticized your size a bit too much.
ズゴゴゴゴ
Robots who aren't sellout products
You're a nuisance.
Go over there!
You're uselessly big
will just become troublesome if the don't sell, thanks to taking up a lot of space. .



I get you, Onoda-kun...
I can't just watch a child with nowhere to go so quietly...

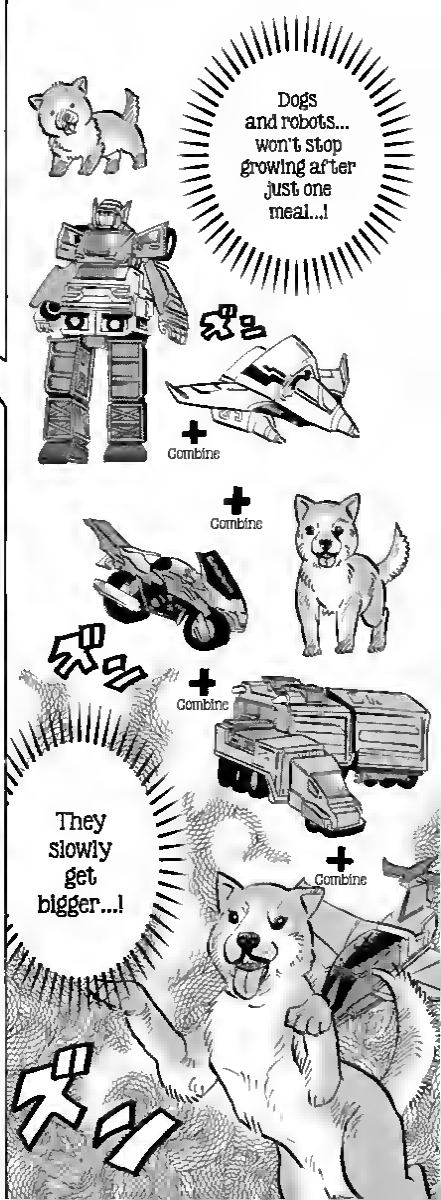
But...
But...
I'm a member of society... this price is something cheap in terms of money.



And at the end of all this, I won't know what combinations it will make anymore.
I don't have the confidence to care for it that much!!
A nightmare 12 combination set
I have no idea what this is anymore

12

Uhh...
I... am fine...



Dogs and robots... won't stop growing after just one meal...!
Combine

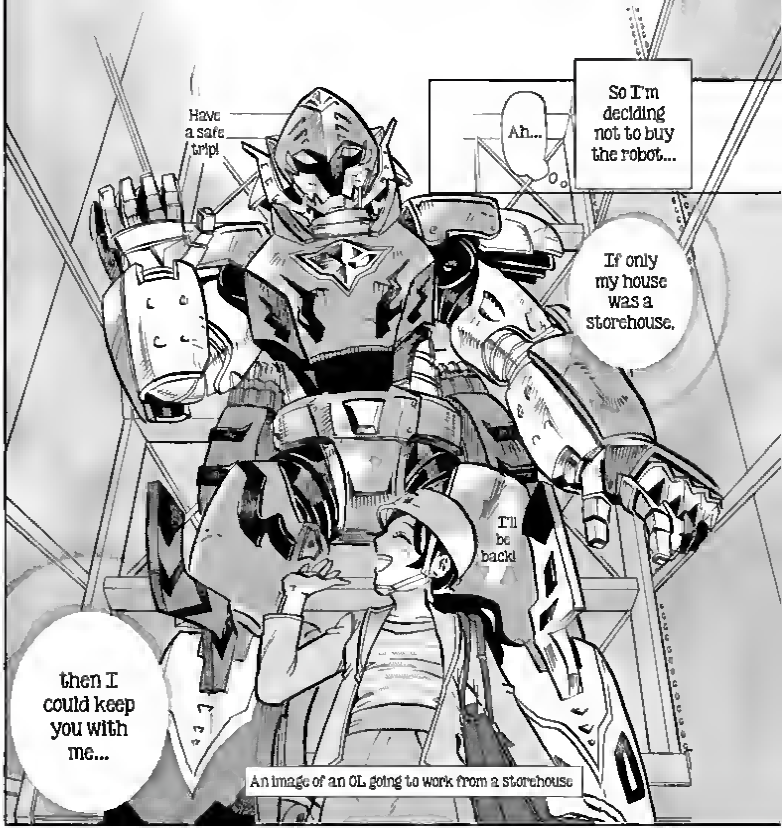
They slowly get bigger...!

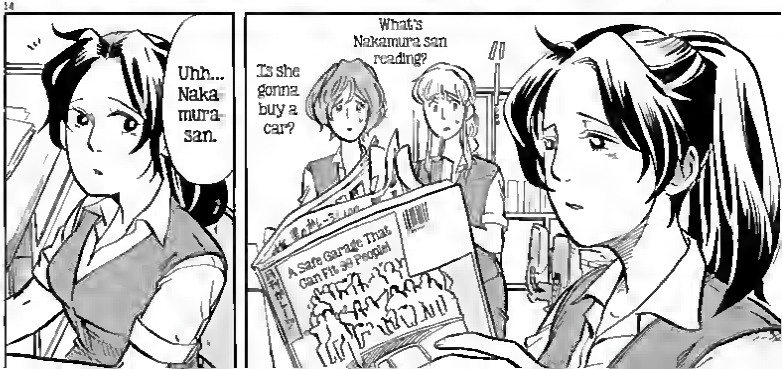
Kids these days don't know its greatness...
So it's gonna go to waste this year, I guess...
Hmm.
I see...

I also think Tategamimaru is cool...
But,
Actually, stop comparing them to the past!
No, old man...

Tategami-maru would be unhappy..
Even if I buy it, it just can't stay boxed up on a shelf.



Have a safe trip!
Ah...
So I'm deciding not to buy the robot...
If only my house was a storehouse.
I'll be back!
then I could keep you with me...
An image of an OL going to work from a storehouse



Uhh... Nakamura san.
What's Nakamura san reading?
Is she gonna buy a car?
A Safe Garage That Can Fit 30 People!

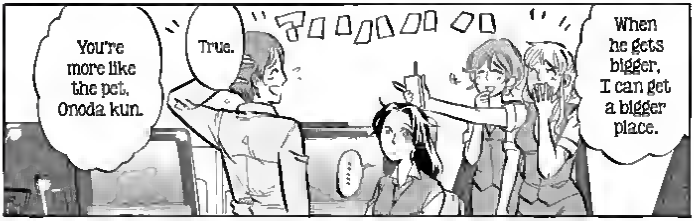
Ah,
Uh, I'm sorry. I said something cruel before...
It's fine. But about that,

Onoda kun...

Nakamura san, what you were saying was actually right.
I didn't think about the future.
And Taro... was actually unhappy.

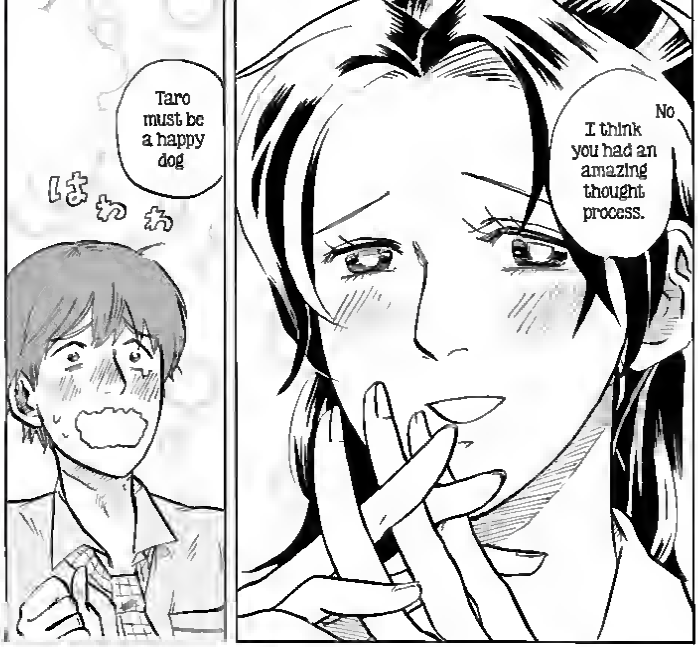
So,
I stopped taking things halfway
And I actually kept him!

Yes
See, I made half of my room Taro's.
There's a fence and a curtain
What
Wasn't there no space to keep him!?



You're more like the pet, Onoda kun.
True.
When he gets bigger, I can get a bigger place.

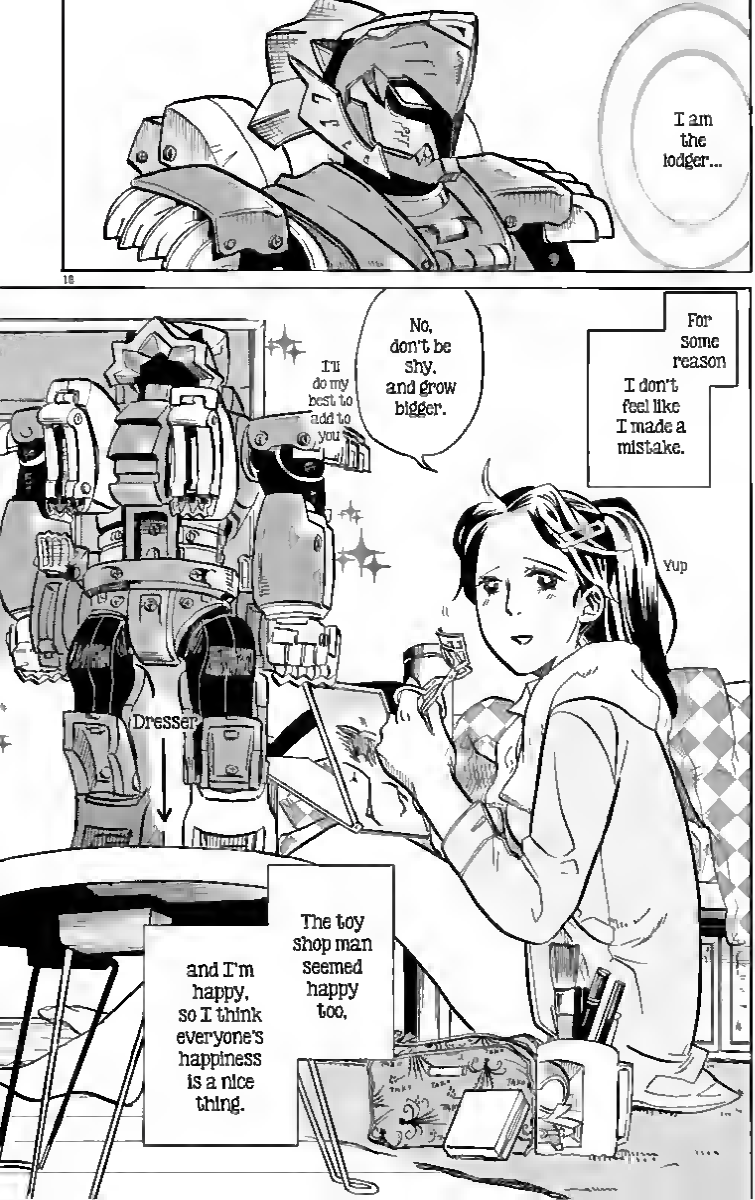
Onoda kun...
Y
Yes?
Is that weird or something?
But I'm in my parent's house...
In reality, if I think of myself as Taro's lodger, I feel blessed as well.



Taro must be a happy dog
はわわ
No
I think you had an amazing thought process.

I see...
Thank you, Tarooo...
I'm the happy one.

You saved me a little as well...
Good for you, Taro...



I am the lodger...
18
No, don't be shy, and grow bigger.
I'll do my best to add to you
For some reason I don't feel like I made a mistake.
Yup
Dresser
The toy shop man seemed happy too,
and I'm happy, so I think everyone's happiness is a nice thing.
